2023 SCHOLARSHIP RECIPIENTS

We're proud to announce the winners of the 2023 Town & Country Credit Union Scholarship. Ten students in our communities each received a \$1,000 scholarship to help further their education this fall. This marks the second year of the credit union's scholarship program.

To apply, high school seniors, who are members of the credit union, were asked to submit an essay answering the question, "How do you plan to make a positive impact in your desired career field?" Submissions were reviewed and scored by a panel of Town & Country Credit Union employees.
