Hey Kids,

In the last newsletter, I asked you to tell me some of the ways you earn money. Having a lemonade stand topped the list, followed by babysitting and helping with chores such as laundry and taking out the garbage. If you're reading this, it is April. April is a special month for me! April 25th is World Penguin Day, and April is National Credit Union Youth Month! Be sure to check if your credit union is having fun activities for you throughout the month to help you save. And there's something to help you start saving on the back!

Your Friend,

Pee Wee
