Login Experience

First-time Login to TCCU Online for Business

1. Receive two emails with login credentials.
2. Log in with system-generated username and password.
3. Validate identity via a one-time passcode sent to a phone.
4. Change username and password.
5. Enjoy the benefits and ease of TCCU Online for Business!

Step 1: Receive emails with login credentials

The subject of both emails is "You have been granted access to Online Banking". Two separate emails will be received from eservices@townandcountry.org with your username in one email and the password in the second (arrival time may vary for which one comes first). If you did not receive one or both of the emails, please contact us at 800-872-6358 and request to speak with a Business Services Specialist.

Step 2: Go to login screen

The login screen for TCCU Online for Business is the same as the login screen for TCCU Online for Retail Users.

Note: *Sub-users will use these same steps to complete their first login.*

1. Click the link in the email to the Town and Country Credit Union website.
2. Copy the username provided in the email and paste it to the username field.
3. Copy the password from the other email and paste that into the password field.
4. You will then be prompted to accept our Master Electronic Services Agreement. Please review the agreement and 'Accept' or 'Decline'. Please note: Declining will mean you cannot have online access.

The image shows a login screen for TCCU ONLINE. It has a red background. At the top, "TCCU ONLINE" is written in white. Below that, "Username" is written in white. There is a white text input field containing "YourUserName". Below that, "Password" is written in white. There is a white text input field containing "YourPassword" with a small eye icon to its right. At the bottom, there is a blue button with the text "Log In" in white.

Step 3: Multifactor Authentication (MFA)

Authentication during the initial login is required, as well as future logins when the device isn't recognized. *Note: the very first login will only allow the verification code to be received to the phone number on file, additional verification methods may be enabled by going into 'My Settings' once you are logged in.*

1. Click Call Me

- Answer the phone call and listen for the 6 digit access code

The image shows a 'Secure login' screen. At the top, it says 'Secure login'. Below that, a message states: 'It looks like you are logging in from an unrecognized device. For security, we need to verify your identity.' Underneath this message is a text input field containing '(xxx) xxx-8240'. To the right of the input field are two buttons: 'Text me' and 'Call me'. Below the input field and buttons, there is a section titled 'Questions?' with two links: 'I can't access one of these options.' and 'Why must I complete this step again?'.

2. Enter the code; expires after 10 minutes and consists of 6 random digits

3. Register the device:

- a. Select "Yes, register my **private** device" This will prevent MFA from populating when logging in from the specific device. *Note: View the next page for a graphic.*

- i. If you are logging onto a public device always select “No, this is a public device” This will present the MFA screen at the next login from this device.

Secure login

It looks like you are logging in from an unrecognized device. For security, we need to verify your identity.

Within a minute, you'll receive a verification code at (xxx) xxx-8240.

▶ [Didn't get the code?](#)

Save time by registering this device.

If this is your personal device, register it now. We won't need to contact you the next time you log in.

Yes, register my private device

No, this is a public device

Step 4: Forced Credentials Change

It is required to change the temporary username and password upon initial login.

1. Create a username, per the requirements shown on the screen, then select 'Save'

Success! You need to change your Username.

Create a new Username that will be used for all future logins.

Login Issues/Troubleshooting

PERMISSIONS DISCLAIMER: ANY NEW SECONDARY ADMIN (USERS ADDED BY TCCU) WILL NEED TO HAVE THEIR PERMISSIONS GRANTED BY THE PRIMARY ADMIN.

Issue: The two emails for the first login with the username and password were not received.

Resolution:

1. Check the Junk Email folder.
2. If the emails are not there: Contact Town and Country Credit Union at 800-872-6358 and request to speak with either a Business Services Specialist or a Digital Services Specialist. If you are a sub-user contact your Company Administrator to verify the e-mail on file is correct.
3. For sub-users: Company Administrator to look up the sub-user's profile in TCCU Online for Business > Manage users and make any updates if necessary.

Issue: Forgotten password

Resolution:

1. Select "Forgot username or password" within the login box.
2. Enter the phone number that we have on file.
3. Enter the username.
4. Choose "Send me a new password"
5. You will receive a phone call or text (depending on what you have enabled) with your new temporary password. Listen carefully to the figures provided and write down the temporary password. The phone call will come from 800-872-6358.

6. Follow the on screen prompts to change your password.

Note: Graphics for this process are on the following page

Password Change Process

1. Select "Forgot Login" on the login menu

The image shows the TCCU ONLINE login interface. It has a red header with "TCCU ONLINE" in white. Below the header, there are two white input fields labeled "Username" and "Password". The "Password" field has a toggle icon on the right. Below the fields is a blue "Log In" button. At the bottom, there are three links: "Sign Up", "Forgot Login" (which is highlighted with a red box), and "Learn More".

2. Enter the phone number registered to the user profile and the Username and select "Send me a new password". **Note:** If the profile has enabled SMS under the registered phone number a text message will be sent with the temporary password. If the profile has not enabled SMS a phone call will be sent.

The image shows a form titled "Can't access your account?". Below the title, it says "We will send you a temporary password to a phone number associated with your account." and "Provide the following information and we'll send you a temporary password." There are two input fields: "Phone number" and "Username". The "Phone number" field has a dropdown menu with "+ 1" and a text input field with a placeholder "(xxx) xxx-xxxx". The "Username" field is a single text input field. Both fields are highlighted with red boxes. Below the fields are two buttons: "Send me a new password" (blue) and "Cancel" (white). At the bottom, there is a link "Forgot Username".

3. Enter the temporary password that was received into the following window and select "Confirm"

We just sent you a temporary password to XXXXXX809-8240. The temporary password will expire after 720 minutes.

SHOW

 Please enter the password we sent you.

[Send password again](#)

Login Issues/Troubleshooting

Issue: The one-time passcode isn't coming to the phone via call or text.

Resolution:

1. Contact Town and Country Credit Union to verify the contact information is correct.
2. Attempt to reinitiate the phone call or text.
3. For sub-users, contact your company's Administrator to look up the profile in TCCU Online for Business>Additional Services > Manage Users and make an update if needed (Town and Country Credit Union cannot make these updates) *Note: Graphic with instructions for this step are below.*

The screenshot displays the 'Manage Users' interface in TCCU Online for Business. At the top, the 'Additional Services' menu is open, and 'Manage Users' is highlighted. Below this, the 'Users with Account Access' section shows a table with one user: 'Business User'. A dropdown menu for this user is open, showing options: 'Print details', 'Edit user access', 'Copy user', 'Reset password', 'Generate access code', and 'Delete user'. The 'Edit user access' option is highlighted. Below the table, the 'User Details' form is shown, containing fields for First Name, Middle Name (Optional), Last Name, Phone Number, and Email. The First Name is 'Business', Last Name is 'User', Phone Number is '+1 701222333', and Email is 'testemail@tccuonline.net'.

Login Issues/Troubleshooting

Issue: Unable to access listed MFA Options

Resolution:

Note: The below instructions are intended for Primary and Secondary Admins. If you are a sub-user, please contact your company's administrator for assistance. They may be required to call on your behalf as the appropriate verification information for sub-users is not available to Town and Country Credit Union unless they are listed as a responsible party of some sort under the business with transaction authority.

1. When the Secure Login page populates select "I can't access one of these options"
2. Call 800-872-6358 and inform the agent that you need a verification code in order to verify your login to your TCCU Online for Business account.
3. The agent will ask various verification questions in order to manually verify you before providing the verification code.
4. Enter the verification code into the appropriate box.
5. Select to either register the private device or not to if it is a public device.

Note: A graphic for this process can be found on the next page.

Ongoing Logins

For future logins, if the computer is not recognized, validating identity will be required. (Some options below may not be available at first log in).

Basic Overview

My Accounts Page: This is the default landing page for all users. This page contains the list of accounts that a user has access to as well as the Quick Action Buttons, Approval Widget, and Autobooks Widgets.

My Accounts Left Side

The screenshot shows the 'My Accounts' page for a business user. At the top, it says 'Welcome, Business User'. Below that is a 'Messages for you' section with a welcome message and a 'Read More' link. A red box highlights a dropdown menu labeled 'TIN' with 'Digital Services' selected, and a callout explains: 'If you have multiple business accounts, switch between them by selecting the desired account via the dropdown.' Below the dropdown is a 'Digital Services' section showing 'Total Loan Accounts' and 'Total Deposit Accounts', both at \$0.00. The main area displays four account cards: 'FREE CHECKING 0101' and 'ORGANIZATIONAL SAVINGS 0001', both with an available balance of \$0.00 and a 'Transfer' button. Below these are two 'BUSINESS' loan cards, both with an outstanding balance of \$0.00, an available credit of \$5,000.00, and a 'Pay' button. A red box on the left contains a callout: 'The Account List for the selected TIN includes different information based on the account type.' This box lists two categories: 'Deposit Accounts' (Available Balance, Current Balance) and 'Loans and Credit Accounts' (Outstanding Balance, Available Credit, Current Balance, Due Date, Amount Due).

My Accounts Right Side

The screenshot displays the 'My Accounts' right sidebar with three distinct widgets. The top widget, 'Approvals', shows a 'No approvals' status with the message 'You're all caught up!'. The middle widget, 'Quick Actions', contains four buttons: 'Make ACH Payment', 'Make a bill payment', 'Manage users', and 'Make a transfer'. The bottom widget, 'Autobooks Widget', is a modal window titled 'You're almost ready to get paid!' that prompts the user to complete their business profile. It lists benefits such as using 'Checkout Pages', sending invoices online, and accepting payments via 'Payment Link'. At the bottom of the modal are 'Get Started' and 'Skip for now' buttons. Red callout boxes with lines pointing to the widgets provide additional context: the first points to the Approvals widget, the second to the Quick Action buttons, and the third to the Autobooks Widget.

Autobooks Widget

You're almost ready to get paid!

Complete your business profile in a few minutes. You'll be asked to provide contact details and business structure information.

Once your business is approved, you'll be able to:

- Sell products, service, events, memberships, and more online with **Checkout Pages**.
- Set your business up for success with a simple and trackable way to **send invoices and get paid online**.
- Accept card or ACH payments any time with your **Payment Link**.

Accept Online ACH payments for 1%, online credit card payments for 3.49%. Payments are deposited into your bank account within two business days.

Get Started

Skip for now

Respond to Approval Requests quickly via the Approvals Widget

Utilize the Quick Action buttons to access popular features like Bill Pay, ACH Payments (if enrolled), Manage Users, and Make a Transfer

Sign up for Autobooks and keep track of incoming/outstanding invoices with the Autobooks Widget

Basic Overview: Move Money – Transfers

Move Money
Transfers
Make a Transfer
Request Loan Advance
Make Loan Payment
Scheduled Transfers
Pay Bills

Transfers – Allows the user to transfer between accounts under the Tax Identification Numbers that they have access to.

Request Loan Advance – Provides the option to request an advance on certain lines of credit. *Note: Speak with your lender for eligibility requirements.*

Make a Loan Payment – Directs the user to a payment interface that allows payments to be transferred from accounts under the same Tax ID directly to their loans.

Scheduled Transfers – Directs the user to a list of existing scheduled transfers. The user may create, edit, or delete any scheduled transfer established via TCCU Online for Business. Scheduled or recurring transfers set up by the Credit Union will need to be serviced by the Credit Union.

Pay Bills – Bill Pay is a free to use service for all qualifying TCCU Online for Business users.

Basic Overview: Additional Services

Additional Services

Manage Users

Stop Pay Form

Business Check Capture

Alerts and Notifications

System Notifications

eStatements

Check Reorder

Manage Users – Primary and Secondary admins are able to establish new users, edit existing users, and remove existing users.

Stop Pay Form – Provides a digital form that allows the user to submit a stop payment request on up to 4 checks per submission. *Note: Stop Payments are only processed during business hours.*

Business Check Capture – This option provides the user with the ability to use a check scanner to make deposits from a remote location. *Note: If you are interested in this option please contact a Business Services Specialist. Separate guide available.*

Alerts and Notifications – Provides an option to establish various alerts related to their Business accounts.

System Notifications – Provides a list of alerts that may be activated, these alerts are most beneficial for approvers.

eStatements – Directs the user to the eStatements for the selected Tax ID.

Check Reorder – If checks have been ordered previously, use this option to submit a duplicate order. If changes are needed, please contact us at 800-872-6358.

Detailed Guide: Manage Users

If your business has specific roles that may benefit from direct online access, this section is for you. The user management provided allows you to customize the permissions for your users based on their role.

To access this option navigate to "Additional Services" > Manage Users.

Add a User

1. Click "Add a user"
2. Fill in the user's information: First Name, Last Name, Phone Number, Email. The Middle Name is optional.
3. Select the appropriate Tax ID from the dropdown if applicable.
4. If the permission settings for the user already exist under an existing user, save yourself some time by selecting a user to clone under the dropdown on the upper right corner.
5. If the user's role was not a clone, establish access and permissions. Check the boxes next to any permission that you would like to grant to the user, leave the boxes unchecked for permissions that the user does not need.
6. Once the permissions are set up click "Save"
7. The user will receive two emails. One with a temporary user name and another with a temporary password. Use the login steps provided in the beginning of this document for assistance with the first time login process.

User Options

Once a user is created they can be edited through the Manage Users menu. Access can be removed by clicking the checkmark slider. Additional maintenance can be performed by selecting the ellipsis under "Options".

The options provided are: Print details, Edit user access, Copy user, Reset password, Generate access code.

Print Details:

Provides a printable screen with the permissions and contact details of the selected user.

Edit User Access:

Directs the user to the User Access Settings screen. This allows you to change the user's permission after their profile has been created.

Copy User:

Directs the user to the Add User and User Access Settings screen. This option is best used to quickly duplicate one user's permission and create a new user.

Reset Password:

Allows an Admin to send a temporary password to a Business User. The temporary password will come in the form of a phone call if the user has not logged on to verify their email.

Generate Access Code:

Allows an Admin to generate an access code to help a user bypass MFA if they do not have access to their MFA device.

Delete User

This option is only available on Business User profiles. Secondary Users may have their access revoked only by a Primary Admin. Secondary Admins may only be removed if a responsible party contacts the credit union to have them removed.

Detailed Guide: Transfers

The following pages will contain the in depth process for the Move Money options:

Transfers

- Make a Transfer
- Request Loan Advance
- Make Loan Payment
- Schedule Transfers

Make a Transfer/Request Loan Advance/Make Loan Payment

The Make a Transfer option allows the user to transfer between accounts housed within the Credit Union. Transfers can be made to multiple Tax IDs as long as the accounts for those Tax IDs are added to the profile.

The process for making a transfer, requesting a loan advance, and making a loan payment all take place within the same interface.

Transfer FAQs

Q. What type of accounts can I transfer from?

A. Transfers can be made out of any deposit account (Organizational Savings/Checking Accounts). Certain lines of credit may also be viable for online transfers, speak with your Business Services Specialist for more details.

Q. What type of accounts can I transfer to?

A. Transfers can be made to most deposit accounts and all loan accounts.

Q. How long does it take for the transfer to process?

A. Transfers are typically processed immediately on the debiting side. Credits can be delayed if it is a transfer done as a payment to a credit card. The delay can be up to 2-5 business days due to the payment delay between Town and Country and the current card provider.

Q. Are there transaction limits on intra-institutional transfers?

A. The only limit would be the current available balance on the sending account.

Make a Transfer/Request a Loan Advance/Make a Loan Payment

How to perform a transfer:

1. Select the "From" Tax ID
2. Select the "From" Account/Line of Credit
3. Select the "To" Tax ID
4. Select the "To" Account
5. Input the date that you would like the transfer to happen on. A repetitive transfer can be set up through this menu as well
6. Input the amount for the transfer
7. *Optional: Add a memo*
8. Click "Make Transfer"

The screenshot shows a 'Move Money' form with the following fields and steps:

- From:** Step 1 points to a dropdown menu showing 'Digital Services Tester'.
- From Account:** Step 2 points to a dropdown menu showing 'Select account'.
- To:** Step 3 points to a dropdown menu showing 'Digital Services Tester'.
- To Account:** Step 4 points to a dropdown menu showing 'Select account'.
- Date:** Step 5 points to a date input field showing '08/18/2026' with a calendar icon. A checkbox for 'Repeat transfer' is also present.
- Amount:** Step 6 points to a text input field showing '\$ 0.00'.
- Memo:** Step 7 points to a text input field with a red pencil icon and the text '(optional)'.
- Buttons:** Step 8 points to the 'Make transfer' button. A 'Go to My Accounts' button is also visible.

Scheduled Transfers

Scheduled Transfers are funds transfers that may be set up on an automatic schedule. Scheduled Transfers may be established through the Scheduled Transfers Move Money option or through the Make a Transfer interface.

How to establish a Scheduled Transfer:

1. Start by opening the Make a Transfer interface. Move Money > Make a Transfer
2. *Follow the steps listed in the Make a Transfer process above up to **Step 5***
3. Select "Repeat Transfer"
4. A pop up should appear requesting the frequency, select the appropriate frequency (Weekly, Monthly, Yearly etc)
 - a. Choose the "On" day to determine which day of the month/week/year that this transfer should take place.
 - b. Select the ending parameters. Until canceled by the user, until an end date, or a set amount of transfers.
5. Input the amount (this amount will remain the same unless it is edited or the transfer is canceled)
6. Select "Schedule Transfer" and a pop up will appear with the details of the transfer. Confirm those details to establish the scheduled/repetitive transfer

How to edit an existing Scheduled Transfer:

1. Navigate to the Scheduled Transfers interface. Move Money > Scheduled Transfers
2. Select "Edit" on the line associated with the transfer that you would like to maintain
3. This will take you to the "Make a Transfer" interface with all of the information prefilled for the transfer that you are attempting to edit. Make any necessary edits and then select "Schedule Transfer" to confirm the changes. *Note: If you need assistance with the Make a Transfer interface, use the steps provided in the processes above (How to establish a Scheduled Transfer and How to Perform an Intra-institutional Transfer)*

Scheduled TransfersMake a Transfer

Amount	From	To	Frequency	
June 10, 2023				
 \$20.00	Money 0101	MONEY MARKET SAVINGS 0301	Every month on the 10th until I cancel	EditCancel

How to cancel a Scheduled Transfer:

1. Navigate to the Scheduled Transfers interface. Move Money > Scheduled Transfers
2. Select "Cancel" on the line associated with the transfer that you would like to cancel
3. A pop up will appear to confirm that you would like to cancel. Select "Yes" and a green success message will display

Transaction History/Account Detail

The following section will cover the following:

- Accessing Transaction History
- Searching with Filters
- Viewing Check Images
- Viewing Account Details
- Exporting Transaction History

Accessing Transaction History

1. Navigate to the "My Accounts" page
2. Click on the account to access the Transaction History

Searching with Filters

1. Click  Filters
2. Utilize the Filter Options to establish the following search criteria
 - a) Date Range, Custom or Specific Timeframe
 - b) Transaction Type, Deposit, Withdrawals, or check both
 - c) Transaction Amount, Minimum and Maximum
3. Click "Apply"

Note: Use the Search Bar to enter keywords to locate specific transactions.
For example; Check Numbers for checks, Merchant Names, etc.

Viewing Check Images

TCCU Online Business allows business users to view images of checks drafted against the account.

1. Either perform a filtered search or locate the check withdrawal in the Transaction History
2. Click on the red arrow on the far right-hand side of the transaction entry
3. The windowpane that pops out will contain an image of the check

Viewing Account Details

Account Details includes a variety of information based on the account type. This includes the ACH and MICR numbers, Routing Number, Available Balance, Current Balance, Nickname, Account Type, Status, Interest YTD, Prior Year Interest, Minimum Payment Due, Payment Due Date, Loan Payoff Amount, and Maturity Date.

1. Click on the account
2. Select  Account Details
3. The windowpane that pops out will contain all account details available for the specific account type

Exporting Transaction History

Transaction History may be exported in the following formats:

- Excel (.csv)
- OFX
- QuickBooks (.qbo)
- Quicken (.qfx)

1. Select the account from the My Accounts page to access the transaction history
2. Perform any filtered search or select "Load More" from the bottom of the history in order to populate the required history
3. Click the Download arrow and select the file type

4. Open the downloaded file via the web browser's downloads page or select the file from the pop-up near the browser search bar after it has been processed

Detailed Guide - Bill Pay

Bill Pay is a free service offered by the Credit Union to help with automating your recurring bills as well as provide an interface for one off bill payments.

Use the following FAQ subjects to help resolve any Bill Pay issues.

The screenshot displays the Bill Pay interface. At the top is a dark blue navigation bar with links: Home, Payments (selected), Payees, Transfers, Calendar, Options, and FAQ. Below this, a light blue header contains the text "Welcome: TESTER TESTER", the email "@townandcountry.org", and the last login time "Last login: 10:50 AM CT 6/7/2023". To the right of the header are links for "Profile" and "Messages (0)". A light blue banner below the header states "Accounts require authentication" with an "Authenticate now" button. The main content area features three cards: "Reminders" with a bell icon and a "View" link, "Shortcuts" with a circular arrow icon and a "Take shortcut" link, and "Payments" with a credit card icon and a "Make payment" link. Below these cards are two sections: "Scheduled to process in the next 30 days" and "Processed within the last 30 days". Each section has tabs for "All transactions" and "My transactions". The "Scheduled" section shows a message: "No transactions are scheduled." The "Processed" section shows a message: "No transactions were processed."

Bill Pay FAQs - Payees

Q. What is a payee?

A. A payee is a company or person to whom money is to be paid. Example: The company or person to whom a check is made payable to.

Q. Can a payee see my payment comment?

A. No. Comments are for your use only and will not be sent with your payment.

Q. What are payee categories?

A. Categories allow you to group your payees for customized listings, whether you're scheduling payments, viewing pending transactions, or researching your transaction history. You can manage your categories by selecting "Payees", then "Manage Categories".

Bill Pay FAQs – Payments

Q. Can I make payments on a holiday or weekend?

A. No. Holidays and weekends are not eligible for payment processing and will affect the dates available to select when scheduling your payments.

Q. Is there a cutoff date for editing or stopping a payment?

A. Yes. You may edit or stop a payment prior to 1:00pm Central Time on the date the payment is scheduled to process.

Q. What is my payment/transaction history?

A. Your payment and transaction history helps you keep track of your payments with customized reports and by providing a detailed timeline of each transaction that you have scheduled within bill pay.

Q. How long are records stored in my transaction history?

A. Your transaction history will allow you to report transactions up to **18** months from the current date.

Q. How are my payments processed?

A. Payments may process electronically or by check. Electronic payments will be processed via virtual cards.

Q. Is the virtual card in the business's name?

A. No. Virtual cards are temporary and contain the following information: card number, expiration date, and card processor name. This information is not associated with your account.

Q. Why does my payment look like it came from somewhere else?

A. Your payees establish relationships to receive electronic payments through different payment processors. These processors partner with one another so more payments can be sent electronically. This means your payment gets there faster.

Q. Will my payment always process the same way?

A. Not necessarily. If your payee establishes a new electronic payment relationship or discontinues a relationship, your payment processing method may change. A check payment may start processing electronically, or vice versa depending on the payee.

Q. Do virtual card payments cost me anything?

A. You should not be charged a fee when your payment is paid using a virtual card. If you believe you were charged, please contact support to research the fee.

Q. What are Dual Signatures?

A. "Require dual signatures" is a security feature that requires scheduled or edited transactions to be approved. It can be turned on or off through the "Company Profile" section of the "Options" menu.

When "Require dual signatures" is off: One user with Approval Authority must manage each transaction. This user can schedule or edit a transaction with no approval from another user. They may also approve a pending transaction that has been changed by someone without approval authority.

When "Require dual signatures" is on: Two users with Approval Authority must manage each transaction. The first sub user may schedule, edit, or approve a pending transaction that has been changed by someone without the Approval Authority Permission. The second sub user must approve the pending transaction.

Q. How do I set up recurring payments?

A. To set up recurring payment, click "Payments", then "Recurring Payment". Choose your payee. Enter the amount; select the pay-from account and the frequency by which you want your payments to be automatically scheduled.

Bill Pay FAQs – Payments

Q. How do I set up an ACH payment?

A. If you are interested in establishing ACH origination, please speak with a Town and Country Union Business Services Specialist.

Q. What are transfers?

A. Transfers are an electronic method to transfer funds into an account in your business's name only.

Q. Can I transfer funds to accounts at another financial institution?

A. Yes. A transfer can be set up by accessing "Transfers" and clicking "Add Transfer Account". Once the setup process is complete, you can schedule transactions to move funds from this financial institution to an account at another financial institution.

Bill Pay FAQs – Pay-from Accounts

Q. How do I add a pay-from account?

A. A pay-from account can be added by accessing "Options" and clicking "Manage Bill Pay Accounts". Click "+Add New Account" and complete required information.

Q. How do I edit pay-from account information?

A. A pay-from account can be edited by accessing "Options" and clicking "Manage Bill Pay Accounts". Click "Edit" next to the pay-from account.

Bill Pay FAQs – User Management

Q. How can I view and manage users?

A. Users can be viewed and edited by accessing “Options” and clicking “Manage Users”. Click “Permissions” to view or manage what the user can do within the site.

Q. What are the user permissions?

A. Permissions allow restrictions to be placed on each user. This can limit their access to specific areas on the site.

Q. Can I unlock a user?

A. Users with permissions can unlock each other within Bill Pay by accessing “Options”, then “Manage Users”. Click “Edit” for the specific user to unlock the account.

Bill Pay FAQs – Message Center

Q. What is my Message Center and how does it work?

A. The Message Center is a location within Bill Pay where communication regarding your account or payments can be shared securely.

Q. How long are my messages stored?

A. Messages are retained for 180 days from the date the message was received or sent. Messages are systematically deleted after that time elapses.

Bill Pay FAQs – Challenge Phrases

Q. What are challenge phrases?

A. Challenge phrases are questions and responses known only by you, and are used to secure access to sensitive account and payment information.

Q. Can I change my challenge phrases?

A. Yes. You may add or remove challenge phrases at any time from the “Profile link”.

Bill Pay Processes – Payees and Payments

The following processes will cover how to add payees, how to make single payments, how to set up recurring payments/scheduled payments, and how to edit/delete existing payees.

i Important information

Your payee's information is typically found on your most recent bill. In some cases, we may ask for additional information if the payee isn't listed in our database.

Payee name *

Account number *

No account number ?

Confirm account number *

Phone number *

Payee ZIP code *

Account holder name *

Next

Adding a Payee

1. Select the "Payees" dropdown from the top of the window > Add a Company
2. Scroll down to the Payee Information Form and fill out the required fields. Click "Next" in order to advance.

Note: All required information should be available on any invoices sent by the payee.

Note: If an account number is not present, add some sort of identifying information. For example: Pay to the account of [Insert Your Company Name]

3. If the payee is not enrolled in the system as a verified payee, more information will be requested and a follow up form will populate. The required additional information will be a mailing address to ensure payment is sent to the correct location as well as assigning a nickname (only you can see this nickname). You may also assign categories and select the default payment account on this step.

4. Once all of the information request in step 3 is complete click "Submit payee"

5. Once complete a message will populate confirming that they payee has been added.

From here there are 3 options;

- a. View Details – This will display the basic information for the new payee (account number, account holder name ((your business's name)), and any assigned category)
- b. Add another payee – This will take you back to the form
- c. Schedule payment – If you select this option you will be direct to the Payment summary screen. You may schedule payments for any payees that you have created from this menu.

View the graphic on the next page for assistance with steps 1-3.

Manage Payee

Editing or deleting payees all takes place in the same menu. The Manage Payee section allows the following actions: Pay, Edit, Delete, or Add a New Payee.

1. Select the "Payees" dropdown from the top of the window > Manage Payees
2. Locate the payee that you need to service.
 - a. If the payee list is long, utilize the search bar to help reduce the amount of payees presented.
3. Pay, Edit, or Delete?
 - a. If **Pay** is selected and you need assistance establishing a payment, please use the instructions on **Page 45**.
 - b. If **Edit** is selected you may be prompted to complete a challenge question, answer appropriately and a pop up will appear that will allow you to adjust the information for the payee.
 - c. If **Delete** is selected a confirmation prompt will pop up in order to confirm the deletion. *NOTE: IF A PAYEE IS DELETED WE ARE UNABLE TO RECOVER THE INFORMATION AND YOU WILL NEED TO MANUALLY RE-ADD THE PAYEE.*

Establishing a Payment – Single, Scheduled, and Recurring

1. Select the "Payments" payments dropdown from the top of the window. Select the applicable payment type that you would like to establish.

- a. One-time Payment
- b. Recurring Payment

2. On the following screen select the payee that you would like to pay. From this point the process will change depending on the selection made in step 1. Continue on to the following page for the remaining steps.

Note: Depending on if Recurring payment was selected or One-time payment a different form will populate. If One-time payment was selected, the all of the payees will be in one list, if recurring was selected Individual and Companies will be selected separately.

Steps for One-time and Recurring specifically on the next page.

One-time Payment

3. Select your payee/payees and click "Pay" on the bottom right.
4. Select the payment account, input the amount, establish a process date (be aware of the estimated arrival date below the process date selection).
5. Either decide to review or pay all.
 - a. If Review is selected a list of all selected payees from step 2 will be displayed with the input information. The payment can be completed from the summary screen if "Review" is selected.

Recurring Payment

3. Select your payee.
4. A recurring payment form will pop up. Fill out the required information.
5. Select the holiday/weekend payment preference.
6. Establish the payment frequency.
 - a. When a frequency is chosen more information fields will populate requesting additional specifics.
7. Select the ending parameters and either submit the payment or review.

Note: If no ending parameters are selected the payment will only stop when the user cancels it.

View the following pages for graphics on the above columns.

One-time Bill Payments

Use steps 3-5 of the One-time Payment column on the above page in conjunction with the graphic below.

By clicking submit, you authorize us to debit the indicated account for the amount of each payment.

Stopping/Editing a Payment

Important: You may edit or stop a payment prior to 1:00pm Central Time on the date the payment is scheduled to process. If the payment was not stopped through the Bill Pay system by that time, you must work with the payee in order to reach a resolution or contact Town and Country to attempt to place a stop payment.

1. Select the "Payments" payments dropdown from the top of the window. Select "Scheduled Payments".

Scheduled payments

 Search filter		 Print	
Payee	Amount	Process date	
Tester Check Confirmation #:1	\$10.00	06/12/2023	 Details  Edit  Stop
Subtotal	\$10.00	Primary Checking *****8234	
Total	\$10.00	Skipped payments not included in the total.	

2. Locate the payment that you would like to edit or stop. Click either "Edit" or "Stop" depending on the need.

3-a. If "Edit" is selected you will be directed to a new page that allows you to change the following information: From Account, Amount, Process Date, and to add or remove an Invoice/Comment. After changes are made click "Submit". The payment will now reflect any changes made.

NOTE: BILL PAY ONLY ALLOWS CHECKING ACCOUNTS AS THE ACCOUNT TYPE.

NOTE: NEW ACCOUNT ADDITIONS MAY BE SUBJECT TO REVIEW AND APPROVAL BY THE CREDIT UNION. IF IT IS NOT SHOWING AS AVAILABLE IT MAY BE UNDER REVIEW. ALLOW UP TO 2 BUSINESS DAYS FOR THE NEW ACCOUNT TO BE ADDED.

NOTE: PAY FROM ACCOUNTS MUST BE TOWN AND COUNTRY CREDIT UNION ACCOUNTS.

Once the account has been added it will show under the "From" account dropdown when submitting new payments.

E-notifications

Bill Pay offers a wide array of notification options under the four following categories: Events, Logout, Recurring, and Reminders.

Alerts are sent to the Primary TCCU Online admin's email, this can be edited through the alerts menu.

A short text number may also be added to receive SMS text alerts.

Events

- Transaction exceeds a specific amount
- Recurring transaction processing
- Single transaction processing
- Transfer account approval
- New pay from account approved
- Payee information has been updated (On by default, cannot be edited)
- Payee or account activity is activated with an activation code (On by default)
- Email payee completes authentication (On by default)
- New eBill received (On by default)

Logout

Logout notifications are sent at the **end of every Bill Pay interaction upon logging out** and they only send if any of the selected actions take place during the session.

- Scheduled transactions
- Added payees (On by default, cannot be edited)
- Added transfer accounts (On by default, cannot be edited)
- Deleted payees
- Deleted transfer accounts
- Skipped and stopped transactions
- Added admin users (On by default)

Recurring

Recurring alerts allow you to select the frequency at which you will receive the following notifications:

- A list of all scheduled payments and transfers
- A list of all payees and transfer accounts
- A list of all transaction history (Allows you to pick and choose which categories)

Reminders

Reminders provide alerts when payments may be coming up for select payees and transfers. After selecting to add a reminder a new window will pop up requesting the reminder parameters:

Editing Permissions:

There are five permission categories: Payments, Transfers, Payees, Options, and Approve Authority.

Payments

- Schedule Bill Payments
- Schedule Email Payments
- Establish Payment Caps
- Designate Pay From Accounts
- Payment History

Transfers

- Add Transfer Accounts
- Schedule Transfers
- Establish Transfer Caps
- Transfer History

Payees

- Manage Payees

Options

- Access Reports
- Update Company Info
- Manage Billpay Users
- Manage Pay From Accounts
- Schedule Reminders

Approve Authority

- Approve Transactions

Bill Pay Operating Systems and Technical Support

With the sensitive information involved with online Bill Payments a robust security protocol is necessary. As this is the case there are certain web browser and operating system requirements to allow Bill Pay to operate properly. The below information is intended to assist with troubleshooting.

Operating Systems

iPay will only support manufacturer supported operating systems for:

- Windows
- Mac OS
- iOS – iPhone and iPad
- Android

Browsers

To support the security measures we have in place to keep your data safe, we require the use of a modern browser. As new versions of browsers are released, we will deprecate support for older versions.

- Google Chrome should automatically update, and major updates are released approximately every 12 weeks. If Chrome is two versions older than the current stable channel version, bill pay applications may not be accessible.
- Mozilla Firefox should automatically update, and major updates are released approximately every 12 weeks. If Firefox is two versions older than the current stable channel version, bill pay applications may not be accessible.
- Microsoft Edge will be supported at the latest version only. Bill pay applications may not be accessible on older Microsoft Edge versions, 60 days after a new version is released.
- Apple Safari currently only sees major upgrades during the Fall. Bill pay applications may not be accessible on older Safari versions, 60 days after a new version is released.

Microsoft Internet Explorer no longer receives feature updates and does not support modern web application security; therefore, we do not support Internet Explorer with our bill pay applications.

Troubleshooting Tips and Tricks

In this section situations and concepts will be listed as **Issues (I)** and troubleshooting advice will be listed as **Solutions (S)**.

I: When accessing Bill Pay (either on the App or Web Browser) I am stuck on a white page.

S: A white page can mean a few things, but typically is resolved through the following methods (It is advised to check back with Bill Pay after each step):

- a. Clear the cookies and cache through your web browser. *Note: If you are using the app this step will still work. Bill Pay connects to the default web browser on your device and is governed by the settings.*
- b. Ensure Pop-ups are set to allowed in the web browser privacy and security settings. Depending on the web browser you may be able to add "safe" websites to allow pop ups, if this is the case add the two following web pages: **billpaysite.com** and **businessbillpay-e.com**.
- c. Certain web browsers provide an option to allow all cookies. Ensure that this is selected.
 - c-1. Some web browsers allow you to set certain websites up as always allowed to use cookies, add the following websites to the list:
billpaysite.com and **businessbillpay-e.com**.
- d. In certain cases it may be an issue with the language settings. Bill Pay only allows English language characters. Ensure your web browser is set to English on the languages settings.

I: I am receiving an error message in place of the Bill Pay interface.

S: Any time that an error message is received on Bill Pay it is advised to attempt the troubleshooting steps in the above situation. If those steps do not resolve the issue it may be something that will need to be escalated. Please contact us at 800-872-6358 to report the error message, inform the representative that you have followed the Bill Pay troubleshooting steps listed in the TCCU Online for Business user guide, the representative will then escalate your case to Digital Services through a service request. You should expect a call from a Digital Services Specialist as confirmation and additional troubleshooting questions.

Checklist for Escalation

1. Screenshot of the error message
2. What actions you were attempting when the error manifested
3. A rough approximation of the time of day the attempt was made

Autobooks (Invoicing and Payments)

Autobooks is a feature that is provided to all TCCU Online for Business profiles that offers payment processing and invoice creation.

The user is directed to Autobooks upon clicking "Invoicing and Payments".

The first time that a user accesses Autobooks or if any changes have been made to the terms they will first be prompted to review and accept the Autobooks Terms of Use and End User License. If the terms are not accepted use of the service is not granted.

An email will need to be provided for contact purposes. Autobooks may need to reach out for additional information.

First Time Login

1. Accept the Terms and Conditions
2. Input the main email address for the user that will be accessing Autobooks. Preferably a Primary or Secondary Admin.
3. Autobooks will request additional information in order to gauge the proper underwriting to meet your business's needs all of the personal information entered must be the business owner's. The information requested may be but is not limited to:

Full Name, Phone Number, Home Address, Date of Birth, Business's Address, Business Formation Year, Business Structure, The Business's Website, Any DBA's, Industry, Products Offered, Payment and Revenue Estimates, Social Security Number, EIN, Ownership Percentages

Note: If any of the requested information is not provided underwriting cannot be properly performed. A Town and Country Representative or Autobooks representative may reach out by email or phone to set up a time to finish registration.

Upon completion if all of the information was entered a confirmation will pop up.

Once the business is approved an approval message will pop up on your next login.

Note: Most registrations are approved immediately, however in certain cases it can take up to 2 business days.

The first steps that Autobooks will allow are to create your first invoice or to access your payment form. Follow the below instructions based on each selection.

Autobooks Help

Autobooks offers direct assistance with their own proprietary service team. Utilize the below information for assistance with Autobooks:

Website: <https://help.autobooks.co/knowledge> – Contains many help guides, reference materials, and video demonstrations.

Phone: 866-617-3122 – Contact the Autobooks team for assistance over the phone. Users are also able to request appointments with an Autobook representative for assistance with setup.
