## Method for Computing the Balance for Purchases: Average Daily Balance Including New Purchases

Balance Transfers: We may permit you to transfer the balance of an account that you owe to another creditor to your account with us. If we approve a balance transfer, finance charges will be calculated and will accrue according to the same method as purchases.
Minimum Payment: Your monthly payment will be $4.00 \%$ of your total new balance, or $\$ 20.00$, whichever is greater plus outstanding unpaid fees and charges, all prior unpaid payments and any amount that exceeds your credit limit.
