

SUMMER 2023

PEE WEE® AND FRIENDS

FRIDGE Art

Hey Kids,

School's been out for more than a month and I've been enjoying all the summer activities with my family and friends. I hope you have too! But, back to school for a second...in the last newsletter, I asked you to tell me your favorite school subject. I loved all the drawings! Some of you liked physical education, some liked spelling and some liked science. But the top vote was for math! All school subjects are very important but of course math is key in managing your money. I'll tell you more about using math to manage your money on the back.

Your Friend,
Pee Wee

Did You Know?

It takes a 10-year apprenticeship to become a **banknote engraver**. Banknote engravers are the people who carve the design of paper money into the metal plates that are used for printing them.

Coloring Contest!

Want to win a cool prize? Tell me - why do you love your credit union? Include a picture of your answer and send it to me by August 15th. You will be entered to win a cool prize. And who knows...maybe I will even put your picture on my fridge! Mail your picture to me at: Pee Wee Penguin, c/o MASC, 2005 N. Kavaney Dr., Ste. 201, Bismarck, ND 58501. Be sure to include your name, age, and credit union!

MANAGE YOUR MONEY WITH MATH

Math is such an important part of managing your money. Whether you are saving money, purchasing things, making a budget or paying for college when you're older, understanding how it works involves math! Some of the things you might use math for include counting money, adding money, figuring out interest, making estimations, calculating taxes and much more. Enjoy some of the math activities below!

WHAT IS THE COST?

Look at the items in the menu and their prices. Then answer the following questions!

Kelly ordered a root beer and a shake. She gave you \$1. How much change do you give her? _____

Meghan ordered an ice cream, a muffin and a shake. She gave you \$1. How much change would you give her?

Julian ordered 2 root beers and 2 muffins. He gave you \$1.50. How much change would you give him?

JULY 28 IS I LOVE MY CREDIT UNION DAY!

On Friday, July 28, credit union members from all over will share what they love about their credit union. You can get in on the action by sending a drawing to Pee Wee - see details on the front under the fridge!

SAVING MATCH GAME

Julian - 40 cents
Meghan - 5 cents
Kelly - 50 cents
